On behalf of Mayor Niño Fernandez, I met with the engineers and personnel of the DPWH 2nd District Engineering Office, together with our Municipal Engineer, Engr. Donna Lampa, to discuss and finalize details for the implementation of the new and improved Kalamay Arena, with construction set to commence in the coming weeks.

The existing main structure and roofing will not be demolished. Instead, the arena will undergo significant improvements including the addition of bleachers, a new stage, an impressive façade, and other upgrades that will give the facility a fresh, modern, and enhanced look.

We look forward to seeing the transformation of the Kalamay Arena into a better venue for our community—a place where we can gather, celebrate, and proudly host the many activities and events ka aton banwa .

'MAY MANINIWALA PA BA KAY MAYOR MAGALONG?'

Tinuldukan na umano nina Bicol Saro Rep. Terry Ridon ang tinawag niyang "kasinungalingan" ni Baguio City Mayor Benjamin Magalong kaugnay ng pahayag ng alkalde na bumalik umano sa dating gawi ang ilang kongresistang sangkot sa flood control scandal.

Giit ni Ridon sa "Sa Totoo Lang" ng One PH, agad niyang hinamon si Magalong na pangalanan ang prosecutors na may kaugnayan sa budget insertions matapos ang pahayag nito.

"Eh ilang araw na ho 'yung nagdaan, wala namang pangalan. Ang sabi niya, wala naman daw pong aamin… hindi raw ito 'yung panahon para ibigay po 'yung mga pangalan," sabi ni Ridon.

"Ginawa niya na 'to the last time noong mayroon siyang mga ibinigay na 67 congressmen daw po na mga kurakot at related sa contractors. Hindi rin naman niya ibinigay 'yung mga pangalan… So what makes it different today?"

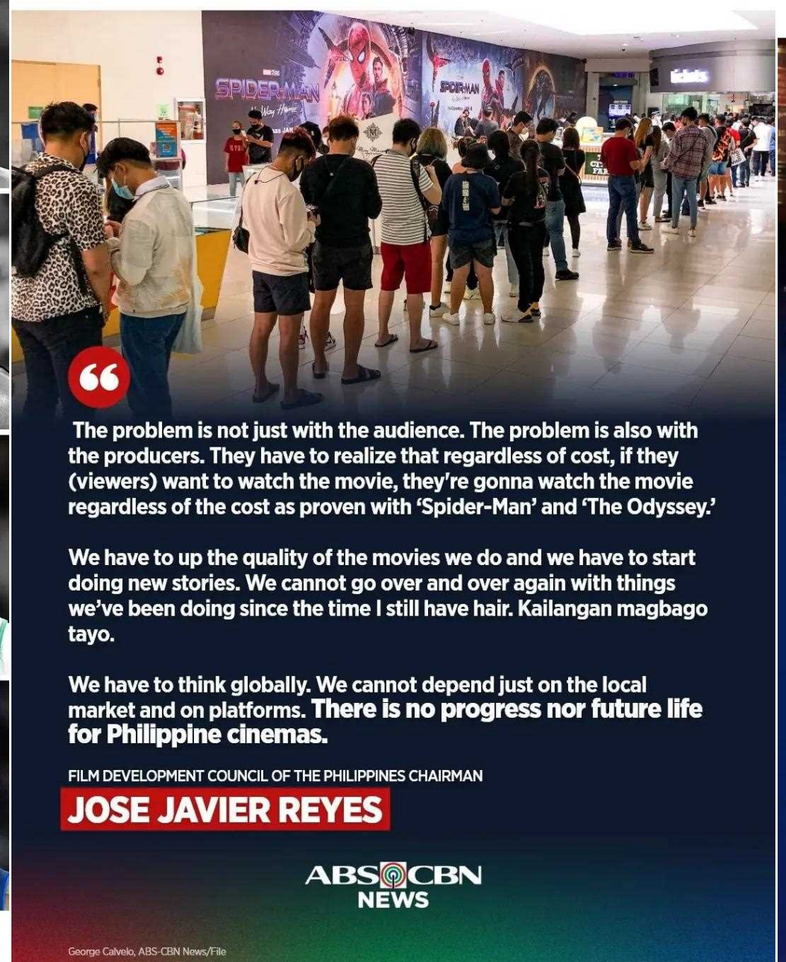
'WE HAVE TO THINK GLOBALLY'

Naniniwala si FDCP Chairman Jose ... See more



The problem is not just with the audience. The problem is also with the producers. They have to realize that regardless of cost, if they (viewers) want to watch the movie, they're gonna watch the movie regardless of the cost as proven with 'Spider-Man' and 'The Odyssey.'
We have to up the quality of the movies we do and we have to start doing new stories. We cannot go over and over again with things we've been doing since the time I still have hair. Kailangan magbago tayo.
We have to think globally. We cannot depend just on the local market and on platforms. There is no progress nor future life for Philippine cinemas.

ASCENSION VS. ASSUMPTION

The Church teaches that the Ascension refers to Jesus Christ returning to Heaven by His own divine power forty days after His Resurrection (Acts 1:9–11; Mark 16:19). Through the Ascension, Christ completes His earthly mission and is exalted at the right hand of the Father (Catechism of the Catholic Church, 659–667).

The Assumption refers to Mary being taken body and soul into Heaven by God's power. This Marian dogma was solemnly defined by Pope Pius XII in Munificentissimus Deus (1950). The Assumption reflects the fulfillment of God's promise of resurrection and eternal glory for the faithful (1 Corinthians 15:22–23; Revelation 12:1).

Pansinin n'yo ang dalawang screenshot na ito na nasa gitna...

Parehong komedyante.
Parehong offensive ang joke sa isang religion.
Parehong nag-viral.

Pero may isang malaking difference.

Yung una, joke tungkol sa INC.
Mapapansin mong majority ng reactions ay HAHA.

Yung pangalawa, joke tungkol sa Catholic.
Mapapansin mong majority ay ANGRY.

Bakit?

Isa sa posibleng dahilan...

MINORITY ang INC
kumpara sa mas malaking bahagi ng population na kabilang sa ibang religious groups.

Ibig sabihin,
kapag ginawang katatawanan ang INC,
mas maraming tao ang HINDI kabilang sa grupong tinatarget ng joke.
Mas maraming taong hindi personally tinatamaan.

Ibig sabihin,
kapag ginawang katatawanan ang INC,
mas maraming tao ang HINDI kabilang sa grupong tinatarget ng joke.
Mas maraming taong hindi personally tinatamaan.
Mas maraming taong pwedeng tumawa.

Pero kapag ang joke ay tumama sa mas malaking religious group?
Mas malaki rin ang posibilidad na mas maraming tao ang ma-offend.

At dito mo makikita ang isang uncomfortable truth about comedy:
MAS MADALI TAYONG TUMAWA
KAPAG HINDI TAYO ANG TARGET.

Hindi ibig sabihin nito na lahat ng haha react sa unang post ay anti-INC.
At hindi rin ibig sabihin na lahat ng angry react sa pangalawa ay offended.

Pero ipinapakita nito kung gaano kalaki ang epekto ng
NUMBERS at GROUP IDENTITY
sa kung SINO ang pakiramdam nating "SAFE" pagtawanan.

At hindi lang ito tungkol sa religion.

I-search mo sa YouTube:
Aug 15, 2026 20:37:29

facebook

I-search mo sa YouTube:
"Funniest videos"

Ano ang madalas mong makikita?
Compilation ng mga taong nahulog, nadulas, nauntog, napahiya...
O kaya naman, nagmukhang t*nga pagkatapos ma-prank.

At nakakatawa siya...
hangga't hindi ikaw yung nasa video.

Kung babalikan natin ang childhood natin, ganito na talaga tayo.

Natatawa tayo...
Kay Tom, tuwing nasasaktan kakahabol kay Jerry.
Kay Elmer Fudd, tuwing gagawing t*nga ni Bugs Bunny.
Kay Coyote, tuwing nasasabugan ng TNT.
Kay Babalu, tuwing hinahampas ng dyaryo ni Dolphy.
Kay Pipoy, tuwing kinakaltukan ni Vic Sotto.
At sa random na mga taong ginagawang katatawanan ni Vice Ganda...

Pain.
Failure.
Humiliation.
Lahat nagiging comedy.
Aug 15, 2026 20:37:34

Pain.
Failure.
Humiliation.
Lahat nagiging comedy.

Kaya hindi na rin nakakagulat kung bakit may mga taong ginagawang katatawanan ang mga Badjao, Muslims, LGBT, dark-skinned people, kapansanan at iba pang minority groups.

Hindi dahil automatically mas nakakatawa sila. Kundi dahil mas “SAFE” tawanan ang taong malayo sa majority.

Kapag hindi mo sila kilala,
stereotype ang nakikita mo.

Kapag hindi ikaw ang nasasaktan,
punchline lang ang nakikita mo.

Tandaan:
Hindi naman masama ang tumawa.
Natural lang 'yan sa tao.

Pero baka minsan,
kailangan din nating mag-reflect
sa mga tinatawanan natin.

KUNG ANO ang tinatawanan natin...

at KUNG SINO ang kailangang masaktan
para matawa tayo.

Aug 15, 2026 20:37:36

at KUNG SINO ang kailangang masaktan
para matawa tayo.

Kasi ang isang joke,
maaaring ilang segundo lang para sa audience...

pero maaaring isang sugat na matagal dalhin
ng taong naging punchline.

And that's the dark side of laughter.

Adios!

Many Catholics sometimes confuse these two great feasts, but they are quite different. The Ascension of the Lord celebrates Jesus Christ rising into Heaven by His own divine power, 40 days after His Resurrection. As God, He ascended on His own authority to take His place at the right hand of the Father.

This feast is celebrated 40 days after Easter.

On the other hand, the Assumption of the Blessed Virgin Mary refers to the moment when Mary, at the end of her earthly life, was taken up body and soul into Heaven — not by her own power, but by a special grace from God. This dogma was solemnly defined by Pope Pius XII in 1950 and is celebrated every year on August 15. It is a beautiful sign of the glory that awaits all faithful Christians at the end of time.

In simple terms: Jesus ascended by His own power as God, while Mary was assumed by the power of God because of her unique role as His Mother.

Both mysteries fill us with great hope—Jesus has gone before us to prepare a place in Heaven, and Mary shows us the destination that awaits all who remain faithful to her Son.

In 2013, a Wikipedia editor jokingly added his own name, Patrick Parker, to the Riddler's profile as one of his aliases, assuming it'd be quickly removed.

Not only was it only removed about a decade later, it was also mistakenly used in The Batman (2022) as an easter egg.

Hi, that's actually my Tita Weng (her real name is Rowena). That moment in the Wilyonaryo segment—where Willie was caught on live TV with two different film strips showing ₱0 and ₱2 Million—broke her heart. People like my aunt spent their last savings just lining up for a chance to win, only to be tricked by a rigged game. Right after that incident, she had no choice but to go abroad to work as a nanny to support her family. To this day, her life is still a major struggle. Thank you for exposing how staged Wowowee was and showing the devastating impact it had on real people.
